Inspire Charter Services

1/2019 - Present

Audit Specialist (1/19 - 7/19), OSP Coordinator (7/19 - 10/19), Enrichment Systems Coordinator (10/19 - Present)
Throughout my time with Inspire, I have had the incredible opportunity to experience diverse responsibilities. Starting as an Audit Specialist, my skills in professional communication, attention to detail, and customer service developed quickly through a fast-paced and nurturing work environment. Transitioning to the Online Subscription Package (OSP) department was swift and overwhelming, yet my inherent skill in problem-solving came to fruition through technical issues and data integration; encompassing 45,000+ subscriptions distributed Inspire students. The accumulation of Inspire knowledge and eagerness to learn more allowed me to work directly under the Enrichment Systems Administrator; assisting the management of the Field Trip, Audit, and OSP departments by providing training and day to day support.
